Petition to drop charges against Sgt Jermaine Nelson, USMC

Given the following precedent:

- That, by Federal Grand Jury, Sgt Jose Nazario, was found Not Guilty of all charges relating to the November 2004 battle of Fallujah.
- That, by Military Court-Martial, Sgt Ryan Weemer, was found Not Guilty of all charges and orders violations relating to the November 2004 battle of Fallujah.
- That, the SJA Convening Authority has never charged a Platoon Commander Lt relating to the November 2004 battle of Fallujah;

I, the undersigned, request the SJA Convening Authority to immediately drop all charges and orders violations against Sgt Jermaine Nelson relating to the November 2004 battle of Fallujah. The murder charge and the two orders violations must be dropped due to the fact that two Marines in charge of Sgt Nelson (Sgt Nazario and Cpl Weemer) were acquitted and their Platoon Commander Lt was never charged. To continue charging this Marine in light of lack of evidence, and in the face of the precedents cited herein pertaining to the same incident, is unconscionable and may only serve to erode the credibility of the Military Justice System.
